

Construction Permission Form

Mornington Communications Co-operative Limited is running Fibre Optic cables past your home. This will allow us to offer local telephone, long distance, high-speed internet, digital television and security services to you!

Please sign the below to allow an authorized Mornington representative access to your property to dig, plough, trench or install wires, cables, pipe or fibre optic.

I/we further submit that I am the legal owner of the property listed. I/we understand that there will be no construction or installation charges until the home owner has approved a quote. Mornington will cover the installation costs for laneways up to 40 metres. We will provide a quote for longer lengths, or if there are unusual situations.

Date _____ Address _____

Telephone _____ Email Address _____

(Please list numbers where you can be reached during weekday hours.)

Approximate length of laneway (please indicate meters or feet) _____
(the first 40 metres is free, \$3 per meter beyond 40m)

I/we hereby grant Mornington Communications Co-operative Limited permission to construct, operate and maintain a communications fibre strand in a buried pipe from a point on the municipal* right of way to my dwelling or business. I/we hereby grant Mornington Communications access to the premises at reasonable times for purposes of installing, maintaining, or removing any service to the premises.

When installing buried services, Mornington Communications and our contractors follow industry safety standards to locate existing utility lines. However, private utility lines such as sprinkler systems, buried lines to out buildings, septic systems, weeping beds etc. are not a part of the locate. In an effort to prevent disturbing private utilities, please let us know of any private lines you are aware of. Please provide a diagram of all known underground wires, pipes, and customer buried equipment. I/we understand that I/we are solely responsible for any damages incurred as a result of my failure to point out any obstruction or failure to be on site during any work performed by MCCL.

*Mornington Communication has signed agreements with the local governments for municipal right of way access.
