## Free Installation

February 1 to April 30, 2000 is a great time to add a second phone line to your home.

Where facilities permit, you can add a line for a fax machine, internet use, or simply have the extra convenience of taking two calls at once.

During this limited time period, you can have an additional phone line installed in your home and pay absolutely no installation fee. We install one jack and activate your new line. Call now and find out how to take advantage of this great offer!

## Useful Links

Don't forget to check out our new and improved web sites at [www.perth.net](http://www.perth.net) and [www.cyg.net](http://www.cyg.net). You can find descriptions and information for many of our products and services and both sites contain many useful internet links. Links to local sites, search engines, travel, agricultural, weather and sports information, are just a mouse click away.

## Payment of Patronage Dividend

The recent Patronage Dividend of 8% announced in the January newsletter will be deducted from the February telephone bill. This dividend was calculated on eligible purchases from the Co-op for the period December 1, 1998 to November 30, 1999. All members whose November account was paid by December 27th, 1999 are eligible to receive the credit.

## Notice of Annual Meeting

The Annual General Meeting of Mornington Communications Co-operative Limited will be held at the Recreation Complex on April 12, 2000 at 8:00 pm sharp.

There will be an election of Directors, with one three year and three one year positions eligible. Please contact Rick Banks for rules and nomination forms. These forms must be received at the office by March 1, 2000.

## Internet Support Service Extended

If you are interested in becoming a new internet customer or have questions regarding your current services please continue to call **595-SURF**.

If you are a current internet customer who is experiencing problems with connecting (logging on), email or network availability then please call **595-9252** for technical support.

Our new hours of internet support at 595-9252 are:

Monday:

12:00 p.m. - 10:00 p.m.

Tuesday to Friday:

8:30 a.m. - 10:00 p.m.

Saturday:

9:00 a.m. - 5:00 p.m.

## 48 Hours Notice For Service and Work Orders

To better serve you, we require at least 48 hours notice for any on-site work orders. This includes new telephone jack installations, new line installations and other changes. Please call the office to arrange.

## PRE AUTHORIZED PAYMENT PLAN

To take advantage of our Pre-Authorized Payment Plan simply complete the form below and return it with an unsigned cheque that has been marked void. This will allow our office to deduct the amount of your telephone bill from your account on the 26th (or the 1st business day after), leaving you with one less thing to worry about each month. We will continue to mail your regular monthly statement.

**Yes I would like to use the Pre-Authorized Payment Plan**

**Yes I have enclosed an unsigned cheque marked VOID**

1. I authorize Mornington Communications Co-operative Limited to charge my chequing account on the due date, with the total amount of my telephone bill.
2. I or Mornington Communications Co-operative Limited, may cancel this authorization at any time.

....more than just talk  
telecommunications since 1919...

### Computer Training

Could your computing skills use a little improvement? Are you new to computers and would like to take a beginners course? We offer a variety of computer courses taught by professionals from Blackcreek Technologies.

The classes are taught at our facility in Milverton. There are a maximum of 6 students per class with only one person per computer. Call 595-SURF to discuss available courses.

### Internet Access Starting At \$4.95 Per Month

This includes e-mail access as well as 5 hours of complete internet access. Call 595-SURF to talk about this declining-rate access plan, our gold access plan, or any of our other internet services.

### Internet Block Hours

Cygnets Internet Services Inc. is a subsidiary of Mornington Communications Co-op operating out of Stratford.

Cygnets has a unique internet plan known as block hours. To activate a block hours account you purchase 10, 25, 50, 100, 250 or 500 hours of internet time. Once purchased, the hours are yours to use whenever you please. Because they are prepaid, there are no monthly payments and you have up to 12 months to use the time that you have purchased.

Visit [www.cyg.net](http://www.cyg.net) to learn more about Cygnets's internet plans, or call Cygnets at 272-0451.
