Attention to all Co-operative Members

Dividend credits from 2000 are on your February billing. The Board of Directors approved a dividend rate of 8% for all customers whose account was in good standing as of November 30, 2000. Dividends were calculated on the total amount of business conducted with the Co-operative over the previous 12 months. All customers who received a dividend credit are members of the co-operative. To become a member visit Mornington Communications Co-op Ltd at 16 Mill St. E. to complete a membership application. We will start calculating your 2001 dividends as soon as we receive your application.
