"That's my ring, I'll get it"

TEEN SERVICE

Now you will know who the call is for before you answer the phone. With **TEEN SERVICE**, you can have two telephone numbers assigned to the same line. Each number has a distinctive ring so you can assign a number solely to the children and know when the call is for them. Or, you can assign a separate number to your **HOME BUSINESS** and one for the family. With the distinctive ring, you'll know right away the nature of the call. Call Morningson today to find out about Teen Service.

Thursday, Sept. 20th is
Customer Appreciation
Day!

Morningson invites you to
the office from
11 :00 a.m - 2:00 p.m.
for a BBQ!

See you there!

Call-Me Cards

Give your child a Call-Me card so they can call home anytime without having to carry money. Whether it is at school, on a field trip, or on the way home, you never know when your child may need to contact you.

A Call-Me card is also a great gift for a University or College student that lives away from home and is on a tight budget. With a Call-Me card, your son or daughter will be able to call you at home while you pay the charges of a long distance call.

Call the office at 595-833 1 to find about applied rates when using your Call-Me Card.
