Pay up Your Account for Patronage Dividends

Mornington Directors will be meeting shortly to decide on the amount (if any) to be paid out to members as patronage dividends for 2001. In order to be eligible for any declared dividends your account must be in good standing. An account in good standing must be NO more than 30 days in arrears.

What's new at Mornington Communications!

We continue to plow our fibre around our service area and should soon be able to offer high speed service to 90% of our telephone customers. Millbank, Poole, Brunner and areas in-between will be able to talk about the high speed service they have to friends and relatives living in larger areas without high speed service.

DID YOU KNOW that Mornington owns an internet company called Cyg.Net Internet Services Inc.?

Cyg.Net offers dial up and high speed internet access to Milverton, Stratford and areas in-between and high speed to Listowel. Be sure to tell your Listowel friends that they can now have high speed service in their town too!
