Pay up Your Account for Patronage Dividends

Mornington Directors will be meeting shortly to decide on the amount (if any) to be paid out to members as patronage dividends for 2001. In order to be eligible for any declared dividends your account must be in good standing. An account in good standing must be NO more than 30 days in arrears.

Winter Driving Tips

As winter approaches and the temperature drops, there are many things that you should do to prepare for safe travel on icy or snow-covered roads. Transport Canada recommends that you take the following precautions.

1. Keep the gas tank at least half full.
2. Top up all fluids including antifreeze, transmission, brake and windshield washer fluids
3. Check your tires for wear and that they are properly inflated.
4. Before heading out, check local weather and road conditions, dress properly and tell someone where you are going and when to expect your arrival.
5. Carry a winter emergency kit that includes: extra antifreeze and windshield washer fluid, a flashlight and batteries, blankets, a candle and matches, hazard markers or flares, a snow shovel, extra hats and mittens and chocolate or granola bars.
6. Take a map and a cellular phone. Mornington offers a variety of cellular phones starting at \$79.00.
7. Buckle up everyone in your car and most important-don't drink and drive.
