Mornington Communications would like to introduce the new Board of Directors for 2002. They are as follows:

<b>William Nahrgang</b>	<b>Chair</b>
<b>Tim Dowd</b>	<b>Vice Chair</b>
<b>Doug Biesinger</b>	<b>Director</b>
<b>Ron Hanna</b>	<b>Director</b>
<b>Donald Jack</b>	<b>Director</b>

We would like to thank all the candidates and attendees for taking part at our recent annual meeting and helping to make it a success.

We would like to extend a special "Thank You" to Gary Pooley and Craig Hicks from Ernst & Young, Julie Wagler from Canadian Imperial Bank of Commerce and Adele Matheson from the Bank of Nova Scotia for scrutinizing our election.

**THANK YOU!**

I would like to thank my fellow board members, the staff, and the members of Mornington Communications Co-op Ltd. for your support during 12 rewarding years as director.

Many changes took place during that time, the most challenging-converting from a municipal system to a co-operative. There will be many more challenges to come in this new time of technology advance, changing government regulations and marketplace strategy.

I wish the new directors all the best in their endeavors and MCCL a very successful future.

Lloyd Debus

**Election Results**  
From the General Annual Meeting April 17, 2002

Did you Know ...

... that when you dial 411 or (area code)555-1212, there is a 75¢ per call Directory Assistance charge that will appear on your telephone bill.

... and there is also a 75¢ per call General Assistance charge for dialing 0.

Spring is in the Air

As you undertake those Spring construction projects please use caution when digging. With telephone, fiber optic and other lines underneath the ground it is important that you call to have those cables located.

Please call 611 at least 48 hours before you plan to dig.

Checking your email anywhere!

It's easy to check your email from any computer on the internet. Just follow these steps:

1. Log onto www.cyg.net
2. Click on Web Mail
3. Enter your user name and password
4. Click on Log in
5. Click on the subject line to open your message. You can read, reply or compose new email messages from here.

Please Check Your White & Yellow Pages Directory Listing

The new telephone book for our area will soon be printed. Please take a moment to check your listing and decide if you would like it changed. If you would like to change your White Pages listing please call 5958331.

The Yellow Pages are a great way to advertise your business. Display ads and other special features can greatly improve your visibility and boost your sales. If you have questions or if you would like to change your current Yellow Pages advertisement or place a new one please call Bell ActiMedia at 1-800-848-8353.

**The Kitchener-Waterloo 2002 Phone Directories have arrived at our office.** Supply is limited and on a first come, first serve basis. Stop by our office at 16 Mill Street East to pick up a copy.

One Bill or Two? It's your choice,

**Up** until now, Mornington Customers have been receiving Bell Canada's long distance plans and rates, billed on your current telephone bill. Due to changes in the telecommunications industry, Mornington is now able to offer ALTO as a competitive alternative in long distance rates.

**As** a telephone customer of Mornington Communications, you should have received notice about ALTO-our new long distance savings plan. However, there is one key fact you need to know. If you wish to keep your local and long distance all on one bill, you must contact our office for further details to switch to ALTO.

Mornington can not switch you to **ALTO** without your consent. If you do not contact our office you will automatically start receiving two separate bills later this summer.

**WHY CHOOSE ALTO?**

The advantages to switching to **ALTO** Long Distance savings includes an additional 10% savings over your current long distance provider in most cases, the peace of mind that comes from using your local service provider you already know and trust, and the convenience of only one phone bill .
