

## IN REMEMBRANCE

### *In Remembrance*

George Wilson  
1922 - 2004

Residing in Newton for 67 years, George Wilson served Morningson Township through various service organizations. He was a Member of the Board from 1984 to 1996 and was past Chairman of Morningson Communications Co-operative Limited from 1987 to 1996. As a Chair of the Board, George was instrumental in the transfer of Morningson Municipal Telephone Systems to the present Co-operative and switching the telephone system to digital.

Morningson Communications extends its condolences to the Wilson family.

## OUR PRIVACY POLICY

At Morningson Communications Co-operative Limited and Cyg.Net Internet Services Inc. protecting your privacy is important to us. Although our ability to provide service requires that we collect personal information about you, our customer, we take measures to ensure your privacy and confidentiality of that information. We wish to assure you that these measures comply fully with the Personal Information Protection And Electronic Documents Act that took effect on January 1, 2001.

A complete outline of Morningson's and Cyg.Net's Privacy Policy are available at our office or online at:

[www.morningson.ca](http://www.morningson.ca) or [www.cyg.net](http://www.cyg.net)

**A New Look!**

Watch for Cyg.Net's new website!

Visit our website at [www.cyg.net](http://www.cyg.net).

**WHAT'S NEW AT CYG.NET?**

**The Cyg.Net office is soon moving to a  
New Location in Stratford!**

Cyg.Net's parent company, Mornington Communications has purchased and is renovating a property in Stratford. Cyg.Net Internet Services will soon be moving to 140 Downie Street to serve you better. We are planning on being at the new location by mid June. We will be sure to let you know our moving date as soon as it is available.

**HOW DO I....****ACTIVATE CALL RETURN**

Don't wait by the phone when you reach a busy signal, let **Call Return** ring you back when the line is free!

**Here's how:**

When you call a number and the line is busy:

- Hang up
- Pick up the receiver, listen for dial tone
- Press \*66
- You will here a recorded message confirming that the line is busy and will be monitored for 30 minutes.
- Hang up
- When the line is free, you will hear 2 rings
- Just pick up the phone and your call will be placed.

You can still make and receive other calls while this feature is activated.

**Subscribe to Call Return for \$1.50 per month and get the first 30 days Free!**  
Call 595-8331 for more details.

**CALL BEFORE YOU DIG.**

As you undertake those spring projects, please remember that it is important to know what is underground. Locates are FREE and can save you from a lot of headaches. Call 611 at least 48 hours before you dig.

**16 Mill Street East, Milverton, Ontario N0K 1M0**
