

Effective March 24, 2020, our Milverton and Stratford stores will open by appointment only during regular business hours.

The door will be locked and only those requiring critical service will be admitted.

Critical services entail, but are not limited to:
Equipment swaps and returns
Cell phone replacements
Cellular support

What's critical support? Anything that prevents a customer from calling emergency services, IE: Calling 911, doctor, etc.

Our Wellesley kiosk and Listowel and Drayton stores will be closed until further notice.

Our Customer Service team can still assist via phone and email. Please call before going to a store.

519 595 8331 800 250 8750 sales@mornington.ca

Members have a couple different options for payment other than coming into one of our offices. Please reach out if you'd like to discuss your options.

Our Support Team is open and available to help with current services.
